#### **IV) PROCUREMENT MANAGEMENT**

##### **a) Guidance on Procurement planning, approval, Monitoring and updating plan:**

Procurement is an important administrative and financial function and process that allow a project to obtain optimal value for financial resources expended on goods, works and services. The effective and efficient use of financial resources in a competitive and transparent manner through a sound procurement process contributes to the achievement of the operational and strategic goals of a program

This section of the Fiduciary Manual deals with procurement issues and provides comprehensive guidelines for procurement to be carried out under the project by Executing agencies (Line Department) of Atal- Jal in Uttar Pradesh. The key features in the section include but are not limited to processes and procedures for procurement of Goods, Works and Services (consulting and non-consulting services) with due consideration for value for money (economy, effectiveness and efficiency) and without regard to other non-economic factors, in order to obtain the best value for money spent.

**The process and procedures detailed here are the simplified version of the U.P. Govt. Financial Handbooks Vol I to Vol VI as amended up-to-date (<http://budget.up.nic.in/finhando.htm>) , U.P. [Procurement Manual \(Procurement of Goods\) 2016](#), and FRs issued by Government of Uttar Pradesh time to time hereof being followed by the state departments for implementing various central and state schemes. Should there be clarifications to any text in part or full in any of the sub sections below, the FRs and its amendments issued by the Government of Uttar Pradesh from time to time be referred to in conjunction with this fiduciary manual and Program Guidelines for Atal-Jal and the fiduciary guidelines as issued by NPMU . For any future amendment which is not in conjunction with the stated rules and regulations shall be done in concurrence with NPMU and the Bank .**

The **procurement plan** shall be prepared prior to taking up the procurement by the executing agency and duly cleared as per State delegation. It will specify estimated cost and activities (works, goods and services) required to be procured during the year and include the level at which it will be procured. The plan shall be consistent with budgetary allocations, technical and administrative approved estimates, agreed methods for procurement, award of contract and contract completion period and aligned to the annual work plans. It will be updated annually or as needed throughout the duration of the project. **Sample Format of the Procurement Plan is included at Annex 13.**

## Record keeping

Procurement records include all documents relevant to the pre-tendering, during tendering and after tendering i.e. Contract administration phases. It should be possible to reconstruct the entire procurement and contract administration processes from these records. Every event in the procurement process must be recorded and all records appropriately filed. This is important in order to maintain an audit trail of the requirement from the initial receipt of the procurement requisition to the closing out of the contract. The procuring entity, through his subordinate staff, is responsible for maintaining the procurement and contract records of each requirement. The procuring entity develops the filing system and maintains a complete record on the entire procurement and contract administration processes for each requirement in such a way that it should be available at any time for verification and Audit. The files of the concerned work/contract shall be maintained with the following documents: -

- Confirmation of the activity being in the approved Procurement plan
- Technical Sanction and Admin Approval
- Advertise/ published (as per the process requirement)
- Copies of all Bids/Quotations received
- evaluation report of the Bids /Comparative Statement of Quotations
- Minutes of Proceedings /Acceptance of tender
- Letter of Acceptance of tender
- Copies of Earnest Money and Security Deposit receipts (as applicable)
- Contract Agreement copy

The officer preparing and authorizing the uploading of the tender bid documents shall be solely responsible for correctness of the tender bid documents and the tender bid notice.

The bid documents for e- bidding will be sold only online and shall be available for purchase after online release of bid notice and up to the schedule date and time.

c) **Procurement of Goods /Works:**

**Government e-Marketplace (GeM):**

Use of GEM set-up by Ministry of Commerce, the Government of India may be used for Request for Quotations (RFQ) /competitive bidding / Reverse Auction (RA) as defined on GeM Portal (gem.gov.in). The use of GeM is to be done as per Circular issued by the Chief Secretary Government of Uttar Pradesh vide No. , GO no-11/2017/523/18-2-2017-97(□0□0)/2016 dated 23.8.2017 (**Annex-11**). A GeM Manual is available on the web gem.gov.in which may be used to proceeding for the purchase through GeM. However, some of the important key points to use the GeM are as under:

- Registration of HoD as a Primary user is mandatory for use of GeM. The primary use will not be purchaser/ consignee/ paying officer in any case as per GeM policy and T&C.
- Secondary user will be registered through Primary user and their role as purchase officer / Consignee/ Paying officer will have to be defined by the primary user from

his login id. The Purchase officer may be consignee or vice a versa but he cannot be paying officer.

- Paying officer cannot be a consignee or Purchase officer.
- Before proceeding to the purchase through GeM it is essential to keep in hand (Readily available)–
- Registration of Secondary user with a role of purchase officer, paying officer and consignee for the subject purchase is mandatory for all the officers proposed to be involved in the subject purchase.
- Administrative and Financial Sanction of the subject Purchase.
- Detailed Technical Specifications of the subject purchase and authorized for minor change in the specification in view of availability of product upon GeM.
- Estimated Required consignee wise Qty. & Delivery Period.
- Bid validity period & Bid Cycle.
- Applicability of Bid and Performance Security and exemptions for the same as per GeM terms and conditions and policies.
- 3<sup>rd</sup> Party inspection/testing through labs inspecting agencies defined on the GeM portal.
- Requirement of additional quantity. There is a provision for purchase of 25% additional quantity in addition to the original bided quantity against the same Bid/ RA.
- Splitting the quantity on L-1 rate. There is provision of splitting the quantity of purchase among the bidders to meet out the emergency and urgent requirement and the ratio of the splitting in terms of percentage is to be defined by the purchaser at the time of generating the bid.
- All the documents are generated through portal which includes, Bid Summary, Price Comparative Chart, e-PBG, Contract, Sanction (purchase order) etc. with unique id / number with bar code. Hence there is no need of placement of orders and execution of contracts etc.
- As the Contracts and Sanctions are automatically generated upon GeM portal as per bid, accordingly there should be no compromise in deviation of technical specification for even a single parameter to avoid further complicity.
- There is a provision of extension of validity and also extension of bid cycle.
- On receipt of material it is to be accepted / rejected within the prescribed time and the consignee has to generate Consignee Receipt and Acceptance Certificate (CRAC) online on GeM portal through his login.
- For any type of delay or mis-procurement online reported by the seller or by the buyer an incidence automatically generates upon GeM for corresponding buyer / seller which should be resolved immediately to avoid further disciplinary action by the GeM or categorizing the seller/ buyer under poor performance.
- For any type of confusion Help Centre and toll free numbers are useful to resolve the problems.

- Bid summary, for Purchase through GeM, is also to be uploaded upon SPPP under single source procurement as per FD, GoUP direction.

### **Applicable Basic Schedule of Rate (Financial Handbook Vol- VI, Para 405)**

A Basic Schedule of Rates (BSR) of each kind of work commonly executed in each District shall be prepared on the basis of the bided rates obtained in the District during the previous year for the works executed under average conditions by different executing agencies/ GPs. In cases where there are no bid rates for the particular items, the market rates of material and labor prevailing in such locality should be taken as basis.

Groundwater Department, UP (UP GWD) is responsible for ground water assessment, ground water based source identification, certification, strengthening and sustainability of the source and preparation of plans for source development.

A latest BSR sanctioned by the executing agency / GP from time-to-time shall be used for preparation of estimates, however, BSR of Ground water Department U.P., SoR of UP Irrigation Dept, SoR of UP PWD of respective district as applicable shall always be taken into account while preparing the plans and estimates for works. The BSR shall be issued periodically, and the rates shall not be higher than the rates laid down by the State Government for similar items of works or development schemes in the locality. Copies of such schedules shall be supplied to all the Executing Agencies. Schedule of rates currently available with the executing agencies/ GPs shall be used for preparing the estimates for works.

When there is no rate for a particular item in the BSR but the item is required to be executed, the rate for such item, supported by the analysis, shall be got approved by the competent authority before adopting it for preparation of estimates or extra item of rate list. A schedule of rates shall be reviewed/updated every year by the executing agencies.

### **Preparation of Estimate: - (Financial Handbook Vol- VI, Para 316)**

The papers to be submitted with the program/project for a work /scheme will consist of report, a specification, a detailed statement of measurements, quantities and rate, with an abstract showing the total estimated cost of each item. The sanctioning authority shall also issue a memo against each estimate showing the name of Work/Services/Goods with approved cost and shall displaying PIP Item Code/ AWP Code with approved allocation These documents together form what is called the “estimate”.

In the case of project consisting of several components the report may be a single document for all the components and likewise the specification, but details of measurement and abstracts may, conveniently, be prepared for each sub component and accompanied by a general abstract bringing the whole together. Estimate should always be prepared in sufficient detail to ensure that the responsible officer has given proper consideration to the requirement of the work.

The detailed estimate for the works to be executed by respective executing agencies / GPs shall be prepared by the competent authority of the executing agency. The estimate shall be prepared in the prescribed forms used in State Govt/ Line Department. The estimate shall provide for the complete works and not on piece meal work. The cost of the work shall be calculated at the rates given in basic schedule of rate of the current year. All identical and incidental expenditure (including execution of work in phased manner) which can be foreseen shall be provided and considered while preparing the estimate.

### **Revised Estimate (Financial Handbook Vol- VI, Para 316{2})**

When original estimate likely to be exceeded by more than 10 % or when there is change in design or plan is necessary, a revise estimate shall be prepared as soon as necessity arises and before completion of work. The revise estimate shall be supported by a full report of the circumstances which rendered it necessary. The final bill for the work shall not be paid unless and until the revise estimate is sanctioned.

### **7. Fresh Estimate (Financial Handbook Vol- VI, Para 397)**

If a work is abandoned after partial execution and is propose to be taken again, a fresh estimate shall be prepared before the work is restarted.

No material alteration in any sanctioned / standard design shall be made without approval by **the** competent authority as prescribed in Rules.

### **8. Technical Sanction (Financial Handbook Vol- VI, Para 318)**

For every work proposed to be carried out, a detail estimate must be prepared for sanction of the Competent Engineering Authority. This sanction is known as “Technical Sanction” to the estimate. Before Technical Sanction is accorded, plans and estimate should be prepared and scrutinized in the technical branch of the Works department.

### **9. Administrative Approval (Financial Handbook Vol- VI, Para 316)**

For every work connected with the requirements of other departments, it shall be necessary to obtain the concurrence of that department before technical sanction is accorded by the Works Department. This formal concurrence is called Administrative Approval of the work and is in the nature of an order to the works department to execute a certain work at a stated cost to meet the administrative needs of the department.

As regards to the procedure for GP, an application for Administrative Approval and procurement of the same shall be submitted to the DPMU for executing the same. The request shall be accompanied with a

preliminary report by an approximate estimate and preliminary plans. Information as to the site and other details as may be necessary fully to elucidate the proposals and the reasons, therefore. The approximate estimate and plans shall be obtained from the Works Department of the ZP.

#### 10. Revised Administrative Approval (Financial Handbook Vol- VI, Para 316{2})

The above procedure shall also apply for obtaining revised administrative approval in the case of:-

- Modifications of the proposals originally approved, if likely to necessitate eventual submission of a revised estimate
- Deviations from the original proposals, even though the cost of the same may possibly covered by savings on other item, and
- detailed estimates, which exceeds the administratively approved amount by more than 10% or Rs. 1 Crore, whichever is less.

#### 11. Delegation of Powers

To understand easily the powers delegated to the various authorities as regards to the Technical Sanction, Administrative Approval, Implementation, Technical Quality Control and O & M are explained in the table below: -

## Flow Chart for procurement of Consultant Services

### **e) Selection and Empanelment of District Implementation Partners (DIPs) to Support Implementation of Atal Bhujal Yojana (Atal Jal), in GP Clusters of select Districts of Uttar Pradesh**

The objective of this consultancy is to provide technical and management support to the Gram Panchayats / Panchayati Raj institutions / District Program Management Unit in selected clusters of water stressed GPs / Blocks / Taluks to support implementation of various activities envisaged under the Program to achieve the goals and deliverables set under Atal Bhujal Yojana. The procurement of DIPs shall be done in accordance with the procedure followed in

the State duly approved by the GoUP. The following procedure for selection/empanelment of agencies/ shall be adopted:

- Web Portal <https://etender.up.nic.in> will be used for e-procurement. The procedure of e-procurement shall be as specified on the State Public Procurement Portal.
- One Stage one envelope bid is envisaged.
- **REQUEST FOR EXPRESSION OF INTEREST (REOI) CUM REQUEST FOR PROPOSAL (Lumpsum Contract) is floated. An abridged version of the REOI cum RFP is simultaneously published in the leading national newspaper.**

#### Selection Process

- The BoQ of this RFP documents invites rates for **one GP**.
- Based on the rates quoted by the all eligible bidders fulfilling essential qualifications criteria as described in REOI cum RFP, evaluation committee shall calculate average rate against one GP.
- Such bidders whose quoted rate found below 50% of the average quoted rates as described above shall not be considered further.
- The evaluation committee constituted by Govt. of U.P., Namami Gange and Rural Water Supply Department, shall evaluate the proposals based on information provided by agencies. Proposal shall be reviewed on the basis of evaluation criteria specified above. The Evaluation committee shall approve the rate for one GPs based on the financial proposals submitted by the bidders eligible for technical evaluation for awarding marks.
- Only those agencies fulfilling all the mandatory qualifications and agreed to do assignment on approved rate will be empaneled by SPMU.
- The empaneled Consultants/Agencies may be asked to work on the approved rates in Cluster of GPs, to be announced at the time of award of contract, covered in any of the Districts fully or partly.
- The empaneled agencies will be asked to submit the choice of clusters in order of their preference. Clusters shall be allotted on the basis of technical scores.
- The assignments/works regarding Implementation will be allotted by State Project Management Unit (SPMU) as well as agreement will have to be executed between SPMU and Empaneled agency.

#### V) **DECENTRALIZED ARRANGEMENTS:**

Procurements by Executing Line Department / GPs is limited to the grants under the Incentive component of Atal-Jal credited to Bank Accounts Executing Line Departments/ GPs by the SPMUs towards achievement of DLIs. No funds under the institutional strengthening component will be disbursed to the Executing Line Department/GPs, and therefore no procurement under Atal-Jal is carried out directly by the participating Executing Agency (IA)/

GPs. The participating Executing Line Department / GPs will follow all prevalent operational procedures applicable and/or those amended from time to time by the Government of Uttar Pradesh for utilization of incentive grants.

However, Executing Line Department /GPs may converge/utilize funds from other ongoing and or new development schemes announced by the Govt of Uttar Pradesh and or Government of India, from time to time, to achieve the DLIs. In such cases, procurement processes applicable for such schemes will be followed by the Executing Agency/ GPs.

The Executing Line Department /GPs receiving incentive Scheme funds will be subject to internal and external annual audit following the existing auditing arrangements (local fund audits/AG audits—as applicable) which shall also include procurement reviews for a sample of activities across the spectrum of activities undertaken by the Executing Line Department/ GP under various schemes from which funds have been converged for implementing approved activities under Atal-Jal.

#### a) Program Financial Management in Gram Panchayats

- **Funds Flow and Banking** - Detail eligibility and process of how the funds to be provided to GPs will be determined based on their achievement of the DLIs (see Disbursement Guidelines in the PG). Detailed process for opening of Program Bank accounts, authorized signatories, registration on PFMS and responsibility of period bank reconciliation will be the responsibility of the Secretary and accounting staff assigned to each participating GP in Uttar Pradesh.
- **Accounting** – Transactions/payments for activities undertaken using funds under the incentive component will be recorded in a separate Atal Bhujal Yojana cashbook. Supporting documentation for expenditures should include detailed contract documents for reference during audits. The cash books maintained by the Gram Panchayats including expenditure filing will be done in the EAT Module of PFMS.
- **Financial Reporting** - Establish the process of reporting Program Expenditure by other implementing agencies and Gram Panchayats in case they are not entering the expenditure directly in EAT of PFMS. Include format of the annual financial statement to be prepared by the GPs.

**External Audit:** Prevalent local fund audit or AG audit , shall carryout audit on compliance of procurement processes and procedures on utilization of Incentive Scheme funds utilized by Executing Agency for various sector related activities. The audit report should also include confirmation of compliance to approved procurement processes, and observations if any.

#### VI) FIDUCIARY INTERNAL CONTROLS

- i) All procurement Plans and documents related procurement will be entered in the Program MIS
- ii) Internal controls as detailed in the GFRs that will be applicable to the Program including reconciliation of bank accounts and inter-unit fund transfer, physical verification of assets created under the Program, verification of bills and review of Program Expenditure by the nodal agency.

- iii) State will identify internally or hire from the market Procurement expert at the SPIU level and assign a procurement point person at the DPMU and below level. The procurement expert at SPMU shall have experience with public procurement under Government projects and shall carry out trainings for SPMU and below procurement point persons
- iv) Record keeping of all documents /contracts. Procurement records include all documents relevant to the pre-bidding, during bidding and after bidding i.e. Contract administration phases. It should be possible to reconstruct the entire procurement and contract administration processes from these records. The SPMU, through its subordinate staff and DPMUs, shall maintain the procurement and contract records of each requirement. Although all records are maintained by the SPMU, wherever DPMU have to carry out contract administration a copy of the contract will be shared with them for contract management. Otherwise, all, SPMU shall be responsible for contract administration. Copies of the contract and amendments thereof for each contract, and other related documentation pertaining to each contract will be uploaded in the Project MIS, while forwarding the same to the relevant authorities as detailed in the respective State FRs. Copies of the documentation will be uploaded in the Program MIS as and when it is made operational. Subsequently, all grievances and redressal measures undertaken shall be entered in the Program MIS regularly.

vi) **Oversight and procurement Review to ensure consistency and compliance.**

Procurement review refers to review of files and documents relating to the procurement of Goods, Works and Services. The procurement of Goods, works and Services under the program will be undertaken as per the laid down guidelines for Atal Jal and shall follow the procedures detailed in the Uttar Pradesh FR and amendments issued thereof. The broad objective of the review is to evaluate the procurement process towards utilization of public funds, safeguards undertaken, system effectiveness and efficiency, and conformity to rules and regulations. It also helps in determining willful negligence including likely fraud/corruption evidence, if any. The report and observations of procurement review carried out by the internal auditor shall also serve as a guide to undertake timely corrective steps that may need to be initiated for taking remedial measures to streamline and improve the procurement system. The SPMU shall keep records of all documents for annual procurement reviews.

vii) **Compliance mechanism for ensuring mitigation measures are put in place.**

The observations on procurement review by both internal auditors and external auditors shall be rectified and or remedial measures as advised in the review report and or as accorded in the **Financial Handbooks/ Manual of Goods/FRs** and the prevalent laws governing procurement in the state of Uttar Pradesh. On completion of the remedial measures, a report will be submitted to the SISC for its review and approval. Upon receipt of approval of the SISC, a copy of the report will be submitted to NPMU for its information and also uploaded in the MIS.

## VII) INTERNAL AUDIT & PROCUREMENT REVIEW

The internal auditor of the NPMU will carryout internal audit of the SPMUs and DPMUs in each participating District in Uttar Pradesh. A sample of 15% of the contracts will be reviewed by the internal auditor for all procurement of Goods / works / Services and the Contracts concluded will be obtained / collected online through MIS and Monthly/Quarterly Reports submitted by the SPMUs. The internal audit will be done in accordance with the terms of reference provided in the National Fiduciary Manual

F. No. T-40012/1/2018-GW Section (pt. 2)  
 Government of India  
 Ministry of Jal Shakti  
 Department of Water Resources, RD & GR  
 \*\*\*\*\*

Shram Shakti Bhawan, Rafi Marg, New Delhi,  
 Dated: 09 January, 2020

To,

1. The Chief Secretaries of Govt. of  
 (Gujarat, Haryana, Karnataka, Maharashtra, Madhya Pradesh, Rajasthan & Uttar Pradesh)
2. Principal Secretaries of the implementing agencies of the concerned States

**Sub: Approval of the Cabinet for implementation of Atal Bhujal Yojana (ATAL JAL).**

I am directed to convey the approval of the Government of India for implementation of Atal Bhujal Yojana (ATAL JAL) under the Ministry of Jal Shakti, Department of Water Resources, River Development and Ganga Rejuvenation (DoWR, RD&GR), as a Central Sector Scheme, with an outlay of Rs. 6000.00 crore (Rupees Six thousand crore). Fifty percent of the outlay will be raised as World Bank loan and the remaining fifty percent will be provided as budgetary supports from Government of India. The Scheme will be implemented over a period of five years from 2020-21 to 2024-25 in seven identified States viz. Gujarat, Haryana, Karnataka, Maharashtra, Madhya Pradesh, Rajasthan & Uttar Pradesh.

**2. Budget allocation:**

2.1 The Scheme envisages an outlay of Rs. 6000.00 crore for Institutional Strengthening & Capacity Building component and Incentive Component. The component-wise details are given below:

S.No.	Component	Outlay (Rs. in crore)
1.	Institutional Strengthening & Capacity Building	1400.00
2.	Incentive	4600.00

2.2 Detailed component and State-wise financial outlays are given in Annexure I.

2.3 As the Atal Bhujal Yojana (ATAL JAL) is financed under Programme for Results (PforR) instrument of the World Bank, the Allocations under Incentive Component may change based on progress achieved and funds utilized by the participating States during the course of implementation of the Scheme.

04

### **3. Implementation Plan:**

3.1 All the identified States under the Scheme would be known as the Project Implementing Agencies (PIAs).

3.2 The PIAs will be required to submit their Project Implementation Plan (PIP) for the entire project as per the approved outlay, Annual Work Plans (AWP) & Annual Procurement Plans (APP) for the year 2020-21 latest by 31.03.2020. The AWP and APPs for subsequent years are required to be submitted by 31st December of the preceding year.

3.3 The PIAs may initiate activities related to institutional strengthening and capacity building, preparation of Bid documents, floating of bids for procurement of equipments, construction of piezometers and development of Management Information system etc. at the earliest to ensure that the funds allocated are utilized within the stipulated time frame.

### **4. Creation of NPMU / SPMUs:**

4.1 The National Programme Management Unit (NPMU) will be created in the Ministry of Jal Shakti, DoWR, RD & GR, and would be supported by suitable experts from technical and other relevant fields who will also provide support to all the PIAs for effective implementation of the scheme.

4.2 All the identified participating States would be required to constitute a State Level Inter-Departmental Steering Committee (SLISC) headed by the Chief Secretary to monitor the progress of the Scheme and coordinate implementation activities. This committee shall consist of representatives from the implementation partners such as Departments/Organisations of Finance, Rural Development, Agriculture and Power of the concerned State etc. Further, States would also be required to establish State Programme Management Units (SPMU), District Programme Implementation Units (DPIU) and a dedicated Project Monitoring Unit (PMU) within the PIAs. The constitution of the same along with their contact details may be furnished to NPMU latest by 31.01.2020.

### **5. MIS/Reporting System:**

As the progress of actions to implement the decision of the Cabinet has to be included in Department's Monthly summary, the States are advised to submit their Monthly physical and financial progress reports along with supporting documents through the MIS, being developed for ATAL JAL. Till the time, the MIS is in place such progress reports may be sent to NPMU in the DoWR, RD&GR every month.

### **6. Fund Flow Mechanism:**

The fund flow mechanism for the ATAL JAL will be informed separately. In the meantime, as the grants to the States cannot be transferred to the States' Treasury, the Implementing Agencies are required to open a separate Savings Bank Account in a Public Sector Bank for the ATAL JAL and intimate the same to NPMU, DoWR, RD & GR on the E-mail ID [ATAL-JAL@NIC.IN](mailto:ATAL-JAL@NIC.IN), Tel No. 011-23716747 at the earliest.

**7. Procurement Procedure:**

The Scheme is being implemented under the Programme for Result (PforR) instrument of the World Bank. This essentially means that the procedures being followed by the Central Government/State Governments shall be adhered to for all tendering and procurements under the Scheme as per the programme guidelines and no World Bank approvals will be required for the same.

8. The programme guidelines for the implementation of the scheme are being finalized by the DoWR, RD & GR and will be separately intimated.

9. This issues with the concurrence of the Integrated Finance Division, Ministry of Jal Shakti, DoWR, RD & GR conveyed vide Diary No. 735/IFD/2019-20 dated 09.01.2020.
